The Girl Scout Leadership Experience

Through Girl Scouting, girls unleash their skills, talents, and passions. They connect with other Girl Scouts and people in their communities, *and* they take action to change the world. Our program is girl-led, so girls team up and work together to explore the things that interest them most as they learn by doing. That's how Girl Scouts unleash their inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)TM as they achieve the five leadership outcomes:

**Sense of self • Positive values • Challenge seeking
Healthy relationships • Community problem solving**
